### Worth a Chuckle... and life lessons

by Aunt Hazel

*You know you're Canadian when...*

- Someone in a Home Depot offers you assistance... and they don't work there.
- Pike is a type of fish, not some part of a highway.
- You have switched from "heat" to "A/C" in the same day and back again.
- You install security lights on your house and garage, but leave both unlocked.
- You design your kid's Halloween costume to fit over a snowsuit.
- You understand the sentence, "Could you please pass me a serviette, I just spilt my poutine."
